

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

1
SEAN R. HEISE, the above-named petitioner, declares that he is a citizen of the
United States with a post office and resident address of 12000 4th Street North, Apt.
412, St. Petersburg, Florida 33716; that he verily believes himself to be the original, first
and sole inventor of the subject matter which is claimed and for which a patent is sought
on the invention entitled AN ULTRASONIC REVASCULIZER described and claimed in
the annexed specification; that he does not know and does not believe that the same
was ever known or used in the United States of America before his invention thereof or
patented or described in any printed publication in any country before his invention
thereof, or more than one year prior to this application; that the invention has not been
patented or made the subject of an inventor's certificate issued before the date of this
application in any country foreign to the United States of America or an application filed
by him or his legal representatives or assigns more than twelve months prior to this
application; that he has reviewed and understands the contents of the above-identified
specification including the claims, as amended by any amendment specifically referred
to in the oath or declaration; that he acknowledges the duty to disclose information
which is material to the examination of this application in accordance with Title 37, Code
of Federal Regulations 1.56(a); and that no application for patent or inventor's certificate
on this invention has been filed by him, or his legal representatives or assigns in any
country foreign to the United States of America except as identified below.
None.

And he hereby appoints ZARLEY, McKEE, THOMTE, VOORHEES & SEASE,
Customer No. 22,885, 801 Grand Avenue, Suite 3200, Des Moines, Iowa 50309,
telephone: 402-392-2280, as his attorneys to prosecute this application and to transact
all business in the Patent and Trademark Office connected therewith.

The undersigned petitioner further declares that all statements made herein of his
own knowledge are true and that all statements made on information and belief are
believed to be true; and further that these statements were made with the knowledge
that willful false statements and the like so made are punishable by fine or
imprisonment, or both, under Section 1001 of Title 18 of the United States Code and
that such willful false statements may jeopardize the validity of the application of any
patent issuing thereon.
